Report card for Mary Smith

I confirm I have read the above report card.

Signed: S. R. Smith

Comments:

We are very happy to see Mary received an A for Math. She has really improved. Last time, she received a C. However, her English and Science results are disappointing. Her grades have dropped in these subjects. Do you think she needs extra science classes? We are worried that she won't get into a good university when she graduates high school. She has only one more year to prepare for graduation. Please advise us.
